## Project Access

*Congratulations to Fairbanks Resident* Dr. Ramin Raiszadeh, one of the tournament committee members for the San Diego County Medical Society Foundation's 1st Annual "Aces For Health" Golf Tournament held on February 28th, 2013. It was a huge success. The spirit of volunteerism was palpable as multiple providers and suppliers of medical care showed up to show their support.

Dr. Raiszadeh added, "Project Access" has provided medical and surgical access to the uninsured individuals throughout San Diego County since 2008. It is a privilege to be involved in providing care to these patients with varying spinal ailments. Additionally, the project access mission wouldn't be possible without the 600 other medical professionals involved, and the hospitals and surgery centers that donate their operating rooms. Thus far, since 2008, the foundation has provided care for over 1700 patients."
